Hello David-

I mentioned [Ex. 6 Personal Privacy (PP)] to my colleagues in R5 who are assisting with this site. We are all in agreement that EPA should provide some presence during the school's planned re-sampling event on Monday. [Ex. 5 Deliberative Process (DP)]

I think it's a good idea to have an EPA presence and I think it's a good idea for you to go. Do you think you can get on OSC [Ex. 5 Deliberative Process (DP)] to go with you?

Hi-

I wanted to let you know that I spoke with [Ex. 6 Personal Privacy (PP)] this morning. [Ex. 6 Personal Privacy (PP)] entered the classroom during the re-test in January and the sampling device was next to an open window. [Ex. 6 Personal Privacy (PP)] walked around the school and did not see any other machines running. It is not clear [Ex. 6 Personal Privacy (PP)] went to the Gym building though. [Ex. 6 Personal Privacy (PP)] stated that John Mannix knew Greg Middaugh from a personal relationship going years back to when they were both in Spokane. Overall [Ex. 6 Personal Privacy (PP)] has an extremely high distrust of the school.

Whether or not any of the allegations are true, given the extreme distrust and the likelihood that other [Ex. 6 Personal Privacy (PP)] feel the same way, do you think someone from EPA should be onsite to witness the air sampling on Monday? I am willing to go. [Ex. 5 Deliberative Process (DP)]

Thoughts?
